

# BUYER BEWARE

ROB LACHOWICZ, ROB WHEELER

## Ukulele chords

## Guitar chords

## V1

<sup>G7</sup>  
If someone's selling something and they're knocking at your door...

<sup>F</sup>  
Play it cool. Consumer law says:

<sup>G7</sup> You don't have to buy from a door-to- <sup>F</sup>door, Don't sign on the line unless you're sure.

<sup>G7</sup> You don't have to buy from a door to door. Politely say 'no', tell them to go.

<sup>G7</sup> Look the seller fella in the eye. <sup>F</sup>Tell the seller 'Bye bye'.

## CHORUS

<sup>G7</sup> If they say 'Buy!' <sup>F</sup>You say 'Bye bye' ( x 3)

## V2

<sup>G7</sup> Put a 'Do not knock' sticker on your front door. <sup>F</sup>They get the message quicker, it's the law.

<sup>G7</sup> You don't have to buy from a door-to- <sup>F</sup>door. Don't sign on the line unless you're sure.

## INSTRU.

G7 – F – G7 – F

## RAP

<sup>G7</sup>  
'Buyer Beware' please take care.  
There's a cooling off period to keep things fair.  
And when something's bought or sold,  
Remember that all that glitters is not gold,  
And money doesn't grow on trees,  
So check interest rate, budget and fees.  
Look before you leap. Don't get in too deep.  
But if you're scammed by something shining, remember:  
Every cloud has a silver lining.

<sup>G7</sup> Every cloud has a silver lining <sup>F</sup>( x 3)
